This campaign is based on the reinforcement of the national strategy to contain the pandemic with the view to considerably reduce the spread in order to assure the continuity of the public service and the perennality of our administration.

In effect, I enjoin all active personnel and pensioners of my ministerial department to massively vaccinate against this pandemic during the national vaccination campaign which spans from 10<sup>th</sup> november to 10<sup>th</sup> december 2021. The vaccination team shall be present through out the working hours of the week as from 8 am to 3:30pm in the Conference Hall.
