## RADIO AND PRESS RELEASE

The Minister of Finance reminds all individuals earning income from salaries, wages, pensions, annuities, financial investments, real estate, or any other source that they are **henceforth required to submit a summarized annual income tax return by June 30th each year**, as per the provisions of section 74a of the General Tax Code.

To ease compliance, the Minister of Finance informs taxpayers that the Tax Administration **provides a 24/7 electronic filing platform** accessible through the Directorate-General of Taxation's web portal ([www.impots.cm](http://www.impots.cm)).

All taxpayers, including non-diplomatic staff of diplomatic missions and international organizations, are reminded that their personal income tax returns ("PIT") for the 2023 fiscal year are due by **June 30<sup>th</sup>, 2024**.

The tax administration will provide training to help taxpayers comply with this reform, following a timetable to be published. In this regard, a sensitization caravan shall be organized throughout the national territory.

A support mechanism, consisting of a HELPDESK platform accessible via the website of the Directorate-General of Taxation and a **toll-free number 8200**, is also available to assist taxpayers in fulfilling their tax obligations.

The Minister of Finance counts on the compliance of all.
