23 JAN 2025

PRESS RELEASE

The Minister of Finance hereby informs State employees and pensioners that salaries for the month of January 2025 will be paid as from Friday, January 24, 2025. **These salaries have been calculated by AIGLES (Application de Gestion Informatique et Logique des Effectifs de la Solde)**, in accordance with the press release issued by the Minister of Public Service and Administrative Reform indicating that the application would be operational as from January 1, 2025.

The software has several advantages, namely **the automatic processing of grade and class advancements that allowed career updating with financial impact for more than 203,000 civil servants this month**. Also, it enables wage consolidation as it henceforth guarantees a higher security of the payroll database, a public service of better quality, mobility management, as well as interactions among users together with career and balance managers through the web portal. The latter provides personal data in addition to monthly and annual payslips.

From January onwards, civil servants will notice changes on their pay slips relating to the format of their matricule numbers, the naming and coding of elements of their salary and the standardisation of certain earnings. To this end, joint teams from MINFI-MINFOPRA have been appointed in the premises of the two administrations to supervise civil servants and state pensioners seeking additional information on their new administrative and financial situation./-
